POOLS AND PARKING

PARKING IN THE CLUBHOUSE LOT

Due to constant abuse and vehicle storage, we must regretfully close the clubhouse parking lot. It will be open the night before street sweeping and then locked the next evening. Any vehicles stored in the lot will be towed at the owners expense. Any vehicles left in the lot after it is locked will be locked in. We apologize for the inconvenience.

Don't get fined

We have had multiple people parking in their front lawns and gravel areas. You are only allowed to park in your driveway. Anyone parking in their yard will receive an immediate fine of up to \$500

Check in for the pool

The weather is still nice and the pool looks so good. In order to use the pool you must check in the clubhouse with the pool monitor. This is to make sure we reserve

the pool for our residents and guests. The pool gate will be locked, and everyone will be required to check in to use the pool.

Also, beginning November 1st, 2024 the winter hours at the pool will begin and be in effect for the season. Those hours will be 12pm-8pm on the weekends and the pool will be unavailable during the weekdays. This is to reduce costs and to perform any needed maintenance.

DID YOU SEE THAT?

See Something

Say Something

Our beautiful greenbelt is so appealing and a luxury to have in our neighborhood. So appealing that many people use it at night for suspicious activity. Please keep

your eyes open to any unusual or suspicious goings on.

We have quite a few people jumping over our pool fence. If you see this action please contact the police immediately. If you need a new pool card please contact us at

951-683-6170.

It takes all of us to maintain a beautiful and peaceful neighborhood. Please do not hesitate to report anything you don't think is right to the Moreno Valley PD.
